Tommy Hawkins 0766 938 564 (WA & voda)

So, I have read some books in country and done some traveling and a little work. I'm not interesting, so.... give me a call or what's app or facebook me sometime. Seriously.

Collin Dutro 0688 731 003 (PC)

I come from a very rural back ground. Love board games and movies and my idea of a perfect date I'd have to say April 25th. Because its not to hot and not to cold. All you need is a light jacket. So lets talk about peace corps or how your best friend stabbed you in the back in the game Diplomacy.

Jessica Klink 0746 107 698 (voda)

I love cats and food but not cat food. If you ever need a friend to jump in puddles with, call ME! I love chatting but I especially love listening. Call me, whatsapp me, text me anytime about anything!

Emma Anthony 0628 970 198 (Halotel) + 0745 991 747 (WA)

Call me, beep me, if you wanna reach me I am a secret nerd and one of my main inspirations to embark on this journey was because of epic adventure stories such as Lord of the Rings and the Hobbit. I really enjoy chatting with people about life, challenges, good times, and any questions about this adventure called Peace Corps. I will give you word hugs, or " wugs". Call or message me any time ☺.

Jordan Garbin 0624 207 612 (Halotel)

I like wandering aimlessly and sitting next to bodies of water. I'm here to listen without judgment for whatever you want to talk about. (Unless you don't like puppies). Call, text, whatsapp me whenever you like.

Andrew Mills – 0783 933 21 (PC) 071 370 7106 (WA)

Mambo vp? My name is Andrew Mills but you can just call me Andrew. I'm from St. Louis, Missouri. I'm currently stationed in the beautiful semi-desert of Kongwa, Dodoma in the small town of Songambebe. Fun fact: Sogambebe means 'move forward' which is either a very positive name for a town or a warning to not stop there. I'm still undecided on their naming intentions. I've got two ears ready to listen to any and all of your complaints, triumphs, sorrows, joys, banana bread recipes, potential dog names, star wars fan fiction, and synopses of the books you're reading. Karibu!

Lucy Tamberrino– 0783 932 963 (PC) +1 517 274 4854 (WA)

Hi I'm Lucy (or Rucy/Russi depending on the konda). I come from the great state of VIRGINIA, right outside of DC. I am currently living in the mountains of So-Hi (southern highlands), so karibu my cold site if you need a break from the heat! Feel free to call me if: you've fallen in a manhole, you haven't perfected your ugali recipe, you've pooped your pants in public, or ANYTHING!

Kang Lee – 0783 933 180 (PC) 074 492 5370 (WA)

Whats up guys! My name is Kangsan Lee, but people call me Kang for short. I am the ruler of the vast domain that is the Wild West (Karibu!) the land of diamond, gold and lots of honey (#Lannisters). I teach Biology, Physics and Math in a small village of Samuye/Usanda in Shinyanga. I personally think cats are the worst thing to happen to mankind, mostly because my spirit animal is the Eastern Grey Squirrel, an archenemy to every pizzas you hold dear. Call me if your spirit animal is a cat and want a verbal altercation. Any lovers of history, theology and puppies, karibu piga simu!

Kwasi Offei-Addo – 0783 933 310 (PC) 078 393 3310 (WA)

I love food! Chapati, nyama choma, chipsi mayai, pilau, maharage, mandaazi, egg chop, and ice cream (preferably Oreo). Oh right, hi my name is Kwasi, I'm from Massachusetts, was born in Ghana, was homeschooled, love videogames, love J. Cole and Ingrid Michaelson, Ancient History and I'm here to talk, but mostly here to listen. Soooooo call meeeee!!

Ryan Lemon – 0783933211 (PC) 062 584 8328 (WA)

Hey! My name is Ryan Lemon, or Simba Limau, in Swahili. I am from Boulder, Colorado. I'm an education volunteer teaching physics in Rukwa. In 2006, I was Time Person of the Year. I want to be an astronaut in my next job, and I went to space camp as a kid so I think I have a pretty solid resume.

Ryn Ross - 0783 933 049 (PC) +1 636 698 4147 (WA)

I'm Ryn, think Kathryn minus the Kath, and I teach English on Unguja, Zanzibar. Originally from the great state of Missouri, I am continuously blown away by how many drops of water are in the ocean. My spirit animal is tall grass blowing in the wind because I am happiest going with the flow, and when I am surrounded by Midwestern Earth. I love listening even more than I love eggs (and I LOVE eggs), so give me a call sometime! you're reading. Karibu!

Gillian Ziegler – 0783 932 808 (PC) +1 845 731 9282 (WA)

Hey, my name is Gillian. I live out on Pemba where I teach English. So karibuni the islands for snorkeling, beautiful water, and general frolicking. One of my favorite things at site is to play with all the kids outside my house. I also do a lot of weird photography projects. I am originally from Germany, but for the past ten years I claim New York as my American home. I love to chat about almost anything so call me.
